

Bachelorette Party September 14, 2019

In the middle of June we were contacted via the web site by a Maid of Honour organizing a bachelorette party. She wanted to “take the group to a place they wouldn’t expect.” None of them had been lawn bowling before and she thought it would be fun to try.

It is always good to promote our sport and so we agreed, with the proviso that they would have to wear flat soled shoes.

Fortunately the weather cooperated. It rained Friday night but stopped around 4:00 AM and by 10:00 AM the sun was shining!

In the first picture you see the bride-to-be delivering a bowl. Not bad for someone who is completely new to the sport!

We broke them up into a group of four and a group of three. After some basic instructions and practice ends we gave them score cards and each group played a simplified version of a game called 4-3-2-1. The two top scorers were each awarded a prize, a mug from our 140th anniversary in 2017.

The group hired a local photographer, Jason Haywood from Fort Erie. He took these three pictures and many more, including some with the flower garden behind the NOTL Library and Community Centre as a backdrop and others using the nearby vineyard. The third picture shows the entire group. The Maid of Honour had other activities planned for the day but couldn’t tell us what they were because she wanted to keep them a surprise.

The wedding will be in November. Hopefully these young women will remember Niagara-on-the-Lake and lawn bowling fondly.
