

## “In The Ditch”

### June 28 BBQ and Tournament

Once again we had very good weather for bowling and for the BBQ out on the patio. Derek and Pauline Shervill looked after the food with assistance from Nancy Newman, Joyce Abbot, Alfie Lyons and Ray Pettit. Many others helped with setting up the tables and the clean up afterwards. Wayne Jones looked after the draw and tabulated all of the scores. Fifth place went to John Grieve; fourth to Angela Lynch; third to Carol Rondeau; second to Doug Findlay; and first place, by a considerable margin, to Jack Hazell. Ed Peterson donated the prize money and presented the Ruth Peterson Memorial plaque to Jack.

The next BBQ is Saturday July 26 and the sign up sheet is in the locker room.

### Tournament Results

From Kathy Smith

Congratulations to Michael Spadafora who won a bronze medal representing District 6 with Craig Thompson at the Ontario Men's Doubles Championship in Pickering on July 5 and 6

## Ontario Women's Fours Gold Medal Winners

Marg Lepere, Sue Roth, Wendy Devonshire and Katherine Smith who will be representing Ontario at The Nationals in Winnipeg August 17-24. Kathy is wearing her NOTL name tag!

## News from BC

Bob and Joyce Findlay arrived safely in BC after a five day drive across North America. They have settled in, unpacked and, of course, joined the local lawn bowling club in Parksville BC. You can visit their web site at [www.parksvilleglawnbowlingclub.com/](http://www.parksvilleglawnbowlingclub.com/) to learn more about this club. Hopefully Kathy and Neville will be playing there in September.

Bob and Joyce would like to say hello to all of their friends here in Niagara-on-the-Lake. Their e-mail is unchanged; you can contact them at [bobfindlay47@gmail.com](mailto:bobfindlay47@gmail.com)

## OLBA Booklet and Bulletin

Jim Cooper has made copies of the handout "Etiquette and Technique for the New Bowler". If you haven't read this before, pick up a copy in the locker room.

The June OLBA Bulletin is available at [www.olba.ca/1410.pdf](http://www.olba.ca/1410.pdf)

## Finally

There was an accident at the Kelvin Low Temperature Lab and one of the physicists was frozen to Absolute Zero. He's OK now. (Of course Mary can explain this joke!)

Good news. The man who fell into an upholstery machine is now fully recovered.

Bad news. If you don't pay your exorcist you get repossessed.
